

Religiously Exempt Child Day Center
Program Decision to Administer Medications

My program has made the following decision regarding the administration of medications to a child in my program:

P I (or my staff) WILL administer prescription and non-prescription medications.

Provider and the parent of each enrolled child must sign below. The provider must maintain a copy of this form in each child's individual record.

Provider's Name (please print):	Facility Name: St. Paul's School
Provider's Signature:	Date:
Parent's Signature:	Date:

Authorized Staff to Administer Prescription Medications

The program will administer prescription medications in accordance with the physician's or other prescriber's instructions and in accordance with the standards of practice in the MAT training. Only a provider who has successfully completed the MAT training or has appropriate licensure to administer prescription medications and is listed as a medication administrator in the *Program's Decision Regarding Medication Plan* will be permitted to administer prescription medications in my program.

I understand that any individual listed in this section as a medication administrator is approved to administer prescription medications using the following routes: topical, oral, inhaled, eye, and ear, medication patches and epinephrine using an auto-injector device.

I understand that if a child in my program requires prescription medication to be administered rectally, vaginally, by injection or by another route not listed above, I will follow the procedures outlined in the MAT training for children with special health care needs.

I understand that to be approved to administer prescription medication, all individuals listed in my *PROGRAM'S DECISION REGARDING MEDICATION* plan (unless the individual is licensed to administer prescription medications) must have a valid:

- Medication Administration Training (MAT) certificate;
- CPR certificate which covers all ages of the children my program is approved to care for as listed on my registration/license; and
- First aid certificate which covers all ages of children my program is approved to care for as listed on my registration/license.
