

VIOLIN LESSONS

AT ST. PAUL'S
SCHOOL!

Eager for your child to learn the fine art of violin? Lessons in this beautiful instrument will be offered on Mondays and Fridays this year, beginning October 7. Your child will learn proper posture, fingering, and bow skills, and begin to read music and learn to play.

Students of all ages are invited to attend lessons twice a week, on Mondays and Fridays, from 12:30 until 1:00. Lessons will cost \$20/week (just \$10/session). If already enrolled in After Care at that time, the lessons are \$10/week (\$5/session). Each child must bring their own violin. Rentals are available through local music stores.

Please return the registration form at the bottom of this sheet to sign up. Space is limited.
